Board and Train Kamps

Puppy Board and Train Kamp:	\$900/5 days (includes 1 in-home lesson)
This introductory 5-day program is designed for puppies younger than 16 weeks of age that are not quite ready for obedience training. This program focuses on the puppy issues at hand: mouthing, play biting, crate training, whining/crying, toy play, separation, socialization and the beginnings of housebreaking.	
Socialization Kamp:	\$130 day/\$60 half day
This 8- or 4-hour kamp is designed to work only on socialization skills between dogs. This kamp focuses on socialization between dogs of all ages, breeds and sizes in a controlled environment.	
Daily Board and Train Kamp:	\$160/day (all stays less than one week require a go home lesson at additional cost)
While your dog is being boarded it will have the opportunity to work on behaviors during its stay. A maximum of 3 behaviors can be focused on. Examples of behaviors to be worked on can include: chewing, sit, down, leash walking, place and stay, etc.	
1-Week Board and Train Kamp:	\$1100 (includes 1 in-home lesson)
In this 1-week program your dog will learn in a home atmosphere. It is designed to start training a new behavior or fix a behavior that has broken down. Owners can pick up to three behaviors basic, advance obedience behaviors or tricks as agreed upon parties.	
2-Week Board and Train Kamp:	\$2100 (includes 2 in-home lessons, which must be completed within two weeks of completion of Kamp)
In this 2-week program your dog will learn in a home atmosphere. It is designed to start a new behavior or fix a behavior that has broken down. Owners can pick up to 6 behaviors basic or advanced behaviors or tricks as agreed upon parties.	
3-Week Board and Train Kamp:	\$3100 (includes 3 in-home lessons which must be completed within 2 weeks of completion of the Kamp, and a go home doggie door)
In this 3-week program, your dog will learn its manners in a home atmosphere. Your dog will also learn its house manners: housebreaking (ring a bell to go outside), toy play (playing with appropriate objects), crate training and sit for attention (no jumping). Your dog will also learn basic obedience behaviors which include: sit, down, stay, wait, leash walking and come.
